

THE RING SIZE GUIDE

Printing setting

To get the most accurate result, go to the 'printing settings' before printing & ensure that the 'page scaling' option is set to 'none' or 100% in the print dialogue box. To check that the sizing guide has been printed properly, take a ruler and measure the sample below. It should measure exactly 4 inches.

How to use the ring size chart

Place a ring that perfectly fits the finger on which your new ring will be worn over the nearest sized circle of the ring on the sizing chart.

If your ring appears to be between two sizes, Dolphins & Sharks recommends that the larger size be chosen.

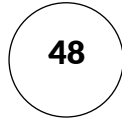

Please, note that this chart is not contractual.
